

Activating your Cellular Phone

What you'll need:

- Have 10 minutes of your time.
- Your DC Tech SIM Card(s) [Don't put the SIM(s) in your phone(s) until a DC Tech Agent tells you it's active.
- Have your Phone(s)

The switch is super easy!

- Keep your phone number
- Keep your photos, text, apps & contacts
- You can use the phone(s) you're switching over to DC Tech during the activation process.
- Pick your plan(s) during setup
- No downtime during switch.
- If you have multiple lines, they do not need to be activated all at once.
