AuthVia TXT2PAY Demo

<https://www.youtube.com/embed/B6P8SeDyLp4?si=QYIHUL3ey2mUxbxh>

This video tutorial covers everything you need to know about using Authvia TXT2PAY as a payment channel. It covers everything from starting a conversation (text message), sending a payment request, what the customer needs to do to send payment and reviewing conversation and transaction reporting features. The below list details the specific times in the video when these topics are talked about:

0:00 - Intro

0:06 - Starting a conversation (text message) with payment request details

0:41 - Preview the message

1:06 - Customer receives the message

1:50 - Viewing transactions and reporting

Payment Account Information Settings
